A screenshot of a web browser showing a project management dashboard titled "Projects Management - Gatistwam Admin". The left sidebar includes links for Dashboard, Projects (which is selected and highlighted in blue), Contacts, and Settings. The main content area is titled "Projects" and shows two active projects: "Website Redesign" (active status) and "SEO Optimization" (on-hold status). Both projects have descriptions, timelines (Website Redesign: 2024-03-01 - 2024-04-30; SEO Optimization: 2024-02-15 - 2024-03-30), team member counts (5 for Website Redesign, 3 for SEO Optimization), and category tags (Website Redesign: Web Design, UX, Development; SEO Optimization: SEO, Content, Analytics). Each project card has edit and delete icons at the bottom right.
